RIDE WITHOUT

2021

You've always dreamed of owning the perfect machine. One that lets you explore where you want to go and ride like you want to ride. One that can handle the tough terrain yet look like a million bucks when it's sitting in the garage. And one that has not just a bell or whistle but all the bells and whistles standard—and at a price that's more affordable than those big-name brands. Well, ladies and gentlemen, your dream is here and ready for you to drive off. Choose exactly the machine you want from our full lineup. Get it at a price that won't break the bank, then get out there and go. Because when you ride a CFMOTO, you **Ride Without Compromise.**

COMPROMISE

CFORCE SERIES 18-25

THE BEST KEPT SECRET IS NO LONGER A SECRET

For over 30 years, CFMOTO has been a major supplier of engines, parts, and components for the off-road vehicle industry. But as our company evolved, our vision evolved. We put our engineering prowess to work to create more affordable off-road machines that included all the extras you expect to find on more expensive counterparts. And we did it at a price that can be 20-30% less than comparable machines on the market. Today, CFMOTO ATVs and side-by-sides are sold in over 80 countries. If you haven't heard of CFMOTO until now, just wait. Because when you see what you get with CFMOTO, it's hard to stay a secret.

A GLOBAL COMPANY WITH BIG IDEAS.

Our factory in Hangzhou, China, encompasses over 1.6 million square feet. Every year we build hundreds of thousands of units to be shipped around the world and this number keeps on growing. Because we build on a global scale, we can bring our products to market at more affordable prices. The result is decked-out, unbelievable machines at better prices than the big guys. Here in the U.S., our distribution center in Kansas City, Missouri, is centrally located to deliver machines around the country. Our headquarters in Minneapolis, Minnesota, handles sales, marketing, service, and warranties along with a 50,000-square-foot warehouse to handle parts.

Z FORCE

S E R I E S

FASTEN YOUR CHIN STRAPS HERE THEY COME

Sand, mud, rocks—don't let nasty obstacles get in the way when you're riding or you're buying. That's because the ZFORCE lineup of performance side-by-sides can provide a daily dose of thrills and just the right amount of dirt and grit in your teeth. For top-of-the-line performance, choose the amazing ZFORCE 950 Sport or the ZFORCE 800 EX, both feature the 60-inch-wide performance stance. The 500 and 800 Trail each have a 50-inch-wide trail stance which means there's a machine for any way you want to ride. And you'll find all the extra goodies you want for performance, comfort and styling. The best times are out there waiting. All you have to do is get in the driver's seat and go.

ZFORCE FEATURES

800 EX

LED array reflector style sets you apart. 80% brighter than halogen.

PERFORMANCE STANCE
60"

Massive adjustable gas shocks work in tandem with multi-link trailing arms to take on whoops, ruts and dunes. An adjustable toe-in/toe-out feature lets you really dial in your ride.

The TFT (thin film technology) color display shows several engine vitals and also has a Bluetooth call indicator.

HARD TOP PLASTIC ROOF

Protection from the elements. Standard on all ZFORCE models.

CUSTOM SEATS

High-style, high-quality, sculpted seats ensure optimum seating position and all-day comfort.

SPORT MODE

When you want to get more performance and power, switch to sport mode and watch the dirt fly (950 only).

HALF DOORS

This stylish feature comes standard and is a must-have on rugged trails.

WINCH

Comes standard on every ZFORCE model. 950 has 3500 lb. winch while the 800 EX has 3000 lb. winch. All feature convenient remote control operation.

12.2" GROUND CLEARANCE.

ALUMINUM ALLOY WHEELS PLUS CST PERFORMANCE TIRES

Lightweight aluminum machined polished rims are wrapped by durable performance tires.

SPORT

950 SPORT

TRAIL

500 TRAIL
800 TRAIL

SHOCKS

Trail models get compression/rebound adjustable shocks front, and rebound adjustable in the rear.

CARGO NET

The reinforced nylon webbing net secures bulky items in your vehicle's cargo area.

HARD TOP PLASTIC ROOF

Protection from the elements.
Standard on all ZFORCE models.

TRAIL-READY MIRRORS

These durable side-view mirrors give you a better line of sight, providing more control in your environment.

CUSTOM-SEWN SEATS

High-style, high-quality, sculpted seats ensure optimum seating position and all-day comfort for you and your passenger.

HALF DOORS

Appreciated on the rugged trail—a standard feature on the 800 Trail.

3,000 POUND WINCH

Comes standard on all ZFORCE trail models. Winch features convenient remote-control operation.

TRAIL STANCE
50"

ZFORCE® 950 SPORT

60" wide with a 963cc V-twin cylinder EFI engine, QuadLink™ trailing arm rear suspension, and 2WD/4WD/Front differential lock.

ZFORCE® 800 EX

60" wide with an 800cc V-twin cylinder EFI engine, 2WD/4WD/Front differential lock and half doors.

ZFORCE® 800 TRAIL

50" wide with an 800cc V-twin cylinder EFI engine, 2WD/4WD/Front differential lock and half doors.

ZFORCE® 500 TRAIL

50" wide with a 495cc single cylinder EFI engine, 2WD/4WD/Front differential lock, plus side door nets.

950 V-TWIN

U FORCE S E R I E S

MACHINES BUILT TO FIT ANY JOB, ANY SHED AND ANY BUDGET

With UFORCE we have a full lineup of hard-working machines so you can choose the perfect model for you. That means you'll require less sweat getting the job done and no sweat getting your machine paid for. Leading the way for UFORCE is the awesome new UFORCE 600. It's perfect for the farm, cabin, or ranch with a 580cc engine, a powerful winch, and a can-do attitude. The UFORCE 1000 features a 3-person bench seat so it not only hauls butt, it can haul three butts at once. The 800 gets two bucket seats and the 600 gets a 2-person bench seat and both boast 600-lb. capacity cargo boxes. No matter which UFORCE machine you choose you've got a work partner that can more than hold its own.

UFORCE FEATURES

1000

3,500 LB. WINCH

Features a wireless remote control for convenient operation.

Shown with optional accessories.

CARGO CAPACITY
1000 LBS.
[1000 ONLY]

HANDY TIE DOWNS
Come standard on the cargo box.

27" CST PERFORMANCE TIRES Excellent traction in every terrain.

ROOF
Comes standard on the 1000.

ELECTRONIC POWER STEERING

PROJECTOR BEAM HEADLIGHTS WITH LED ACCENTS
Bright white projector beam headlights with stylish LED strips.

11.4" GROUND CLEARANCE.

TILTING CARGO BOX
Unload easily with nitrogen gas-assisted dump box.

SIDE NETS
Keep brush and debris where it belongs, out of the cab.

3-PERSON BENCH SEAT

A center console with integrated cup holders folds up, creating a bench seat with room for three adult passengers.

REMOVABLE STORAGE BOX

Under the seat you'll find ample storage space with a handy pull out tool box to help organize your gear.

NEW 600

ARRIVING SPRING 2021

The newest member of the lineup, the UFORCE 600, brings eye-catching new styling, and work-saving features like a 2-person bench seat to bring along extra help, a robust 580cc engine for plenty of power, a compact chassis design that produces a shorter turning radius, and a 600 lb. capacity dumping cargo box to help get more done.

2-PERSON BENCH SEAT WITH UNDER-SEAT STORAGE

Comfortable 2-person bench seat lets you bring along extra help and the under-seat storage box lets them bring their gear too.

TILT STEERING WITH WHEEL LOCK
Custom adjust to fit your ride style.

CARGO CAPACITY
600 LBS.

ROOF
Comes standard.

C FORCE S E R I E S

PACK EVERYTHING ESPECIALLY YOUR ADVENTUROUS SPIRIT

If your idea of a perfect day of exploring might actually be several days, the new CFORCE 1000 Overland is the machine for you. In addition to the 963cc powerplant and a long list of extras, the 1000 Overland has special hard-side travel cases so you can bring along plenty of gear. Throw in a tent, sleeping bags, fishing tackle, and hunting supplies—the possibilities are endless. Or choose the smooth riding 800 XC. Maybe you'd prefer the 600 Touring or 600, two next-generation chassis designs that are loaded to the hilt and full of style. If you'd rather ride a mid-size machine, pick either the 500 or 400 model. Anything you choose—whether for work or for play—the adventure begins aboard the CFORCE.

CFORCE FEATURES

1000 OVERLAND

The CFORCE 1000 Overland has a 79 horsepower 963cc V-twin engine to take on countless miles of trails. Three quick-detach hard-side travel cases allow for plenty of gear so you can be fully-equipped for that next off-road adventure.

3 REMOVABLE HARD-SIDE TRAVEL CASES

Protect extra gear from the elements and easily detach to take with you. Make room for an extra rider by adding the passenger seat accessory.

FRONT FAIRING

An integrated windscreen and hand guards help protect the rider from the elements.

HEAVY DUTY BUMPERS

You'll find heavy duty steel front and rear bumpers to protect your machine.

3,000 POUND WINCH

With a handlebar-mounted control switch.

BASH PLATE & SKID PLATES

A high strength aluminum front bash plate, and durable full length HDPE skid plates to handle nasty rocks and stumps.

Projector beam headlamps with LED accents plus front LED floodlights deliver better terrain viewing.

BEADLOCK RIMS

CST Clincher off-road tires on 14 inch rims with beadlocks, for when nature gets nasty.

ELECTRONIC POWER STEERING

Variable assist electronic power steering gives you optimal steering feedback in all conditions.

REAR TRAILING ARM SUSPENSION

Equipped with fully adjustable gas shocks to help smooth out the ride.

2UP SCULPTED 2-UP SEATING

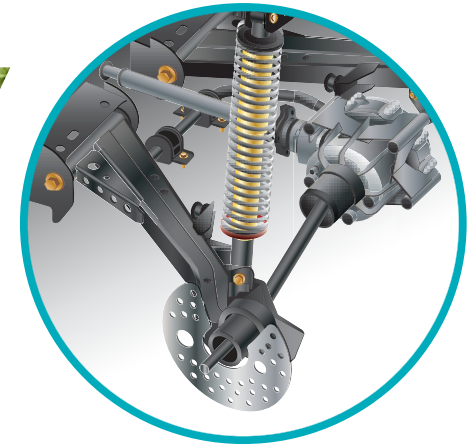

800 XC

If you want the latest technology for the trail, the CFORCE 800 XC is your machine. Bragging rights include a trailing arm rear suspension and premium brakes for great trail and off-road performance. You'll also enjoy sculpted 2-up seating, and even a USB port to keep those devices charged.

Bright white projector beam headlights accented with stylish LED strips.

TRAILING ARM REAR SUSPENSION

Tackle rugged terrain and navigate tight, twisting trails with maximum comfort and confidence.

SCULPTED 2-UP SEATING

Superior support and optimized seating position for all-day riding comfort. Utilizes robust materials and high-quality stitching for long-lasting durability.

ALUMINUM ALLOY WHEELS
Lightweight aluminum rims are machined and polished for an eye-catching finish.

ELECTRONIC POWER STEERING

Variable assist electronic power steering gives you optimal steering feedback in all conditions.

NEW HANDLEBAR CONTROLS INCLUDING HAND BRAKE AND PARKING BRAKE LEVER

Designed with improved ergonomics. [1000 Overland and 800 XC]

3,000 POUND WINCH

With a handlebar-mounted control switch.

FENDER FLARES

Rugged plastic is specifically designed to keep mud, water and debris away from rider and the machine.

COMPOSITE-OVER-STEEL FRONT AND REAR RACKS

Bring all your accessories and gear. These rugged racks feature a new composite-over-steel design for added durability and ease of attachment.

The CFORCE 600 is available in a 1- or 2-up model. With a powerful 580cc EFI engine, these eye-catching machines offer more size and capacity. The 600 Touring model has a longer chassis and a comfortable sculpted high back passenger seat. Both 600s have extra cargo storage space located in the fender.

600 600 TOURING

DIGITAL GAUGE

Keep an eye on the important stuff. Monitor twelve engine vitals at a glance.

Shown with optional accessories.

2UP SCULPTED 2-UP SEATING (600 Touring Only)

NEW FRONT AND REAR RACK DESIGN

Holds up to 100 lbs./75 lbs. front/rear for 600 Touring, 75/150 front/rear for 600 one-up. Designed to secure your cargo and attachments more easily.

SCULPTED 2-UP SEATING (600 Touring only) Superior support and optimized seating position for all-day riding comfort.

HAND GUARDS
Plastic reinforced for maximum hand protection.

**HAND BRAKE WITH
PARKING BRAKE LEVER**

FENDER FLARES
Durable plastic flares minimize mud, water and debris from spraying over you and your machine.

ALUMINUM ALLOY WHEELS
Lightweight aluminum rims are machined and polished.

3,000 POUND WINCH
Comes standard with a handlebar-mounted switch.

USB PORT
Power up on the go.

STORAGE COMPARTMENT
Ample storage space with easy access to all your personal items.

RIDEVISION
LED HEADLIGHTS

LED array reflector style sets you apart. 80% brighter than halogen.

CFORCE® FEATURES

400
500

Wanna break out and ride without breaking the bank? The CFORCE 400 and 500 are mid-size do-all machines that offer great value with lower price tags. Both feature rugged steel front and rear racks and halogen headlights. The 500 also gets aluminum rims, plus electronic power steering and a 2,500 lb. winch.

HIGH INTENSITY HEADLIGHTS

Bright halogen headlights with LED accents help light up the trail.

DIGITAL GAUGE

Keep an eye on the important stuff. Monitor twelve engine vitals at a glance.

FRONT AND REAR STEEL RACKS

The rugged steel construction features 75 lb. front rack capacity and 150 lb. rear capacity.

500 HIGH OUTPUT ENGINE

4-VALVE, SOHC, EFI 38 HP, liquid cooled, single cylinder, 4-valve featuring Bosch® Electronic Fuel Injection and CVTech clutching.

USB PORT

Lets you power up on the go. Also has a 12 volt accessory outlet.

HAND BRAKE WITH PARKING BRAKE LEVER

ELECTRONIC POWER STEERING

Variable assist electronic power steering gives you optimal steering feedback in all conditions. [Not available on 400]

2,500 POUND WINCH

With a handlebar-mounted control switch. [500 only]

AUTOMOTIVE STYLE PAINT

The paint job is another sign of quality. Don't worry about getting it dirty. Simply hose it down and you're ready for your next adventure.

ALUMINUM ALLOY WHEELS

Lightweight aluminum rims are machined and polished for an eye-catching finish. [500 only, 400 has steel]

THE STUFF THAT DREAMS ARE MADE OF

For the first time ever, we're introducing an exciting line of accessories. From items like bumpers and windshields to rack extensions and cargo boxes and more, this new line will provide expanded capability and more options for our machines.

CF
CONNECT

Introducing our new quick attach technology that secures accessories, and with a flip of a lever allows for easy detachment.
